GOING FURTHER

その先の向こうへ

Since its foundation in 1896 in Kure city, Hiroshima prefecture, Penta-Ocean Construction Co., Ltd. has grown with society by contributing an enterprising, up-and-coming spirit and leading-edge construction technologies. After its founding the company has continued with a mentality of continually seeking challenges in new field as part of its corporate DNA. A spirit of accepting challenges that never varies, even as times change, and the power of flexible self-innovation to respond to the needs of each new era. At Penta-Ocean, we are never satisfied with things as they are, and we continue to move steadily forward, step by step.
